The Careers Trucking Showcase offers a rare opportunity to see what the transport and logistics industry is all about. The industry is making the most of being gathered at the TMC Trucking Industry Show, to showcase a huge variety of careers and pathways and to provide an interactive and engaging careers expo experience. The showcase is free and open to everyone, especially adults interested in a new career or pathway change, or students looking for inspiration and guidance, along with career advisors, teachers, and caregivers. This is the only opportunity in New Zealand where you will find such a large representation of the transport industry gathered in one place to talk careers! Use this occasion to meet and greet real industry workers, discover training and career development opportunities, and engage with inspiring and interactive displays. Transport careers are the best kept secret, come and discover them for yourself.

## CAREERS SHOWCASE FORMAT ON THE DAY...

- Registered attendees will be sent a Careers Trucking Guide Book.
- It is advisable to use this guide to plan your day and select the top companies you or your students want to visit.
- Each company who is participating in the event will have a 'Careers Trucking Stop Sign' by their exhibitor site.
- Visitors will be greeted by Crew members on arrival, who will be there to assist and guide visitors around the showcase.
- Each exhibiting company will show you around their display, talk through what they do, the careers and training involved, and give you a chance to ask questions.
- The showcase will run alongside national industry competitions, so there will be great viewing of the skill and talent involved in transport.
- At 12:30pm there will be a complimentary BBQ held on the Teletrac Navman Entertainment Lawn.
- After 1pm you are welcome to leave or continue exploring the show
