

HealthNow Employer Aid

The employee health initiative that adds ongoing long term value.

WHAT IS EMPLOYER AID?

Employer Aid is HealthNow's system which enables employers to support their employees health journey. Our Employer Aid scheme allows contributions directly into employees digital health wallets on a predefined schedule.

WHY?

ABSENTEES & SICK DAYS COST EMPLOYERS OVER 1 BILLION DOLLARS A YEAR

\$1 SPENT DIRECTLY ON HEALTH HAS A ROI OF \$6

INCREASE BUSINESS OPPORTUNITY AND REDUCE LIABILITIES WITH THE RIGHT WELLNESS PROGRAM.

With HealthNow employees can access the care they need, when they need it, from our growing partner list.

WHAT CAN EMPLOYER AID DO FOR YOUR BUSINESS?

SET YOUR BUSINESS APART FROM OTHER EMPLOYERS

MONITOR IMPACT AND OUTCOMES

REDUCED UNPLANNED ABSENTEEISM

INCREASE LOYALTY AND RETENTION

INCREASE PRODUCTIVITY

SIMPLE AND SUPPORTED ONBOARDING, ENSURING YOU AND YOUR STAFF ACHIEVE THE DESIRED OUTCOMES FOR YOUR EMPLOYEE HEALTH INITIATIVE.

CONTRIBUTION TAILORED TO YOUR BUSINESS

Control the health sectors in which your businesses' Employer Aid contributions can be utilised. Leave it undefined or be selective about where you see the most health value for your employees.

MUTUAL CONTRIBUTIONS

Both the business and the employee contribute to the employee's digital health wallet at the same frequency.

SET RECURRING

The employer determines an ongoing set amount and frequency to contribute to an employee's digital health wallet.

SINGLE CONTRIBUTION

Two options for single contribution; one is paid upfront and has no expiry, the other has a determined expiry and is only paid when funds are accessed by the employee.
