

Heavy Diesel Mechanic

Our East Tamaki, Auckland branch is looking for a master mechanic with solid work experience in heavy vehicles and mobile equipment. In this fulltime-permanent role you will receive a competitive hourly rate, on-going training & development, a benefits package which could include a company vehicle, all while working in a fun, family-oriented team.

We have been building great careers for the last 50 years, there is nowhere else you will get the knowledge and experience from working on such a wide range of specialist gear.

Class 5 Transport Driver

Our East Tamaki, Auckland branch is looking for a skilled class 5 transport driver preferably able to operate plant and machinery. In this fulltime permanent role you will be guaranteed 40 hours a week, work within Auckland, and be home most nights to spend time with your family. We will give you a competitive hourly rate, on-going training & development, a benefits package, all while working in a fun, family-oriented team.
